

2026-2027 PERFORMANCE TEAM DETAILS, FEES & REQUIREMENTS

Performance Team A team built for dancers looking for more opportunities to perform in their local community. Dancers will learn a repertoire specifically for this team to be performed at community events, charity events, and beyond. Meeting weekly to train and learn/review the repertoire as well as incorporate community outreach and team bonding, this team is meant for the dancer who loves to bring joy to audiences through performing. They will learn skills like adaptability, teamwork, and other skills that can help prepare them for if they choose to continue their dance journey on a professional level.
