

NAME THE DANCE STEP!

Write the correct name of each dance step on the dotted line next to the dancer and color them all in when you are done!

The dance steps shown on this page are:

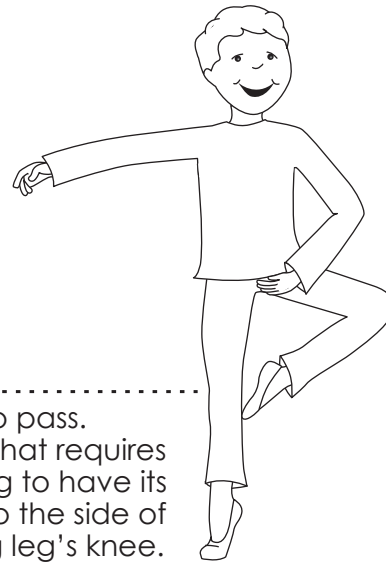

arabesque

passé

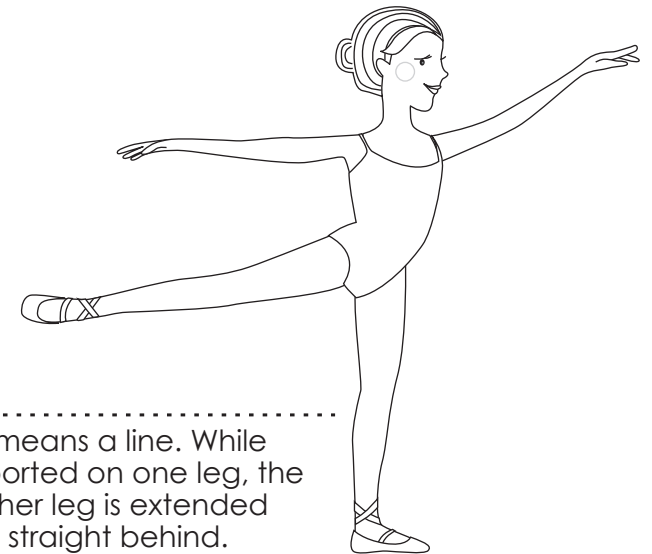

plié

tendu

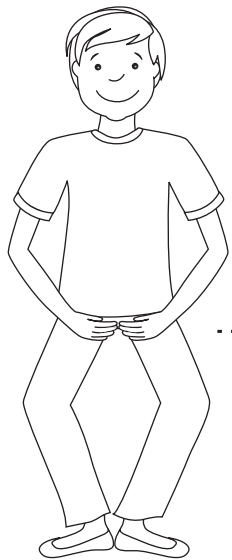

relevé

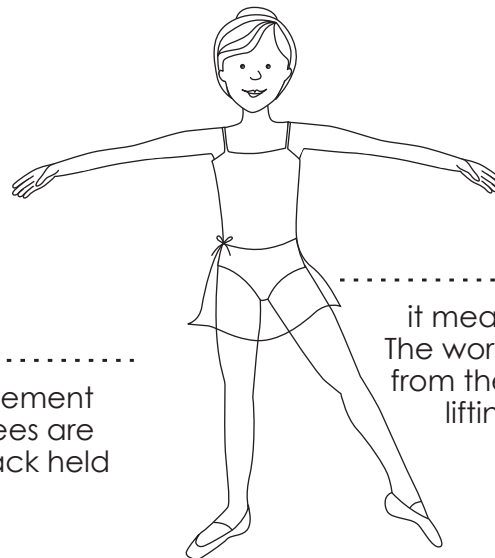

.....
means to pass.
A movement that requires the working leg to have its foot pointed to the side of the supporting leg's knee.

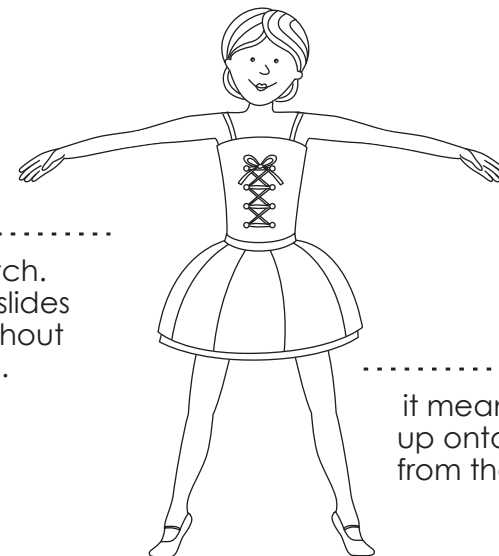

.....
it means a line. While supported on one leg, the other leg is extended straight behind.

.....
to bend. A movement in which the knees are bent, with the back held straight.

.....
it means to stretch. The working foot slides from the floor without lifting the toe.

.....
it means to rise. A rising up onto full or half point from the flat of the feet.
